THE QUALITY CYCLE

of the European Quality Assurance Reference
Framework for Vocational Education and Training

1. Purpose and Plan

Set up clear, appropriate and measurable goals and objectives in terms of policies, procedures, tasks and human resources.

2. Implementation

Establish procedures to ensure the achievement of goals and objectives (e.g. development of partnerships, involvement of stakeholders, allocation of resources, and organisational or operational procedures).

4. Review

Develop procedures in order to achieve the targeted outcomes and/or new objectives; after processing feedback, key stakeholders conduct discussion and analysis in order to devise procedures for change.

3. Assessment and Evaluation

Design mechanisms for the evaluation of achievements and outcomes by collecting and processing data in order to make informed assessment.

EQAVET Work Programme 2018 - 2019

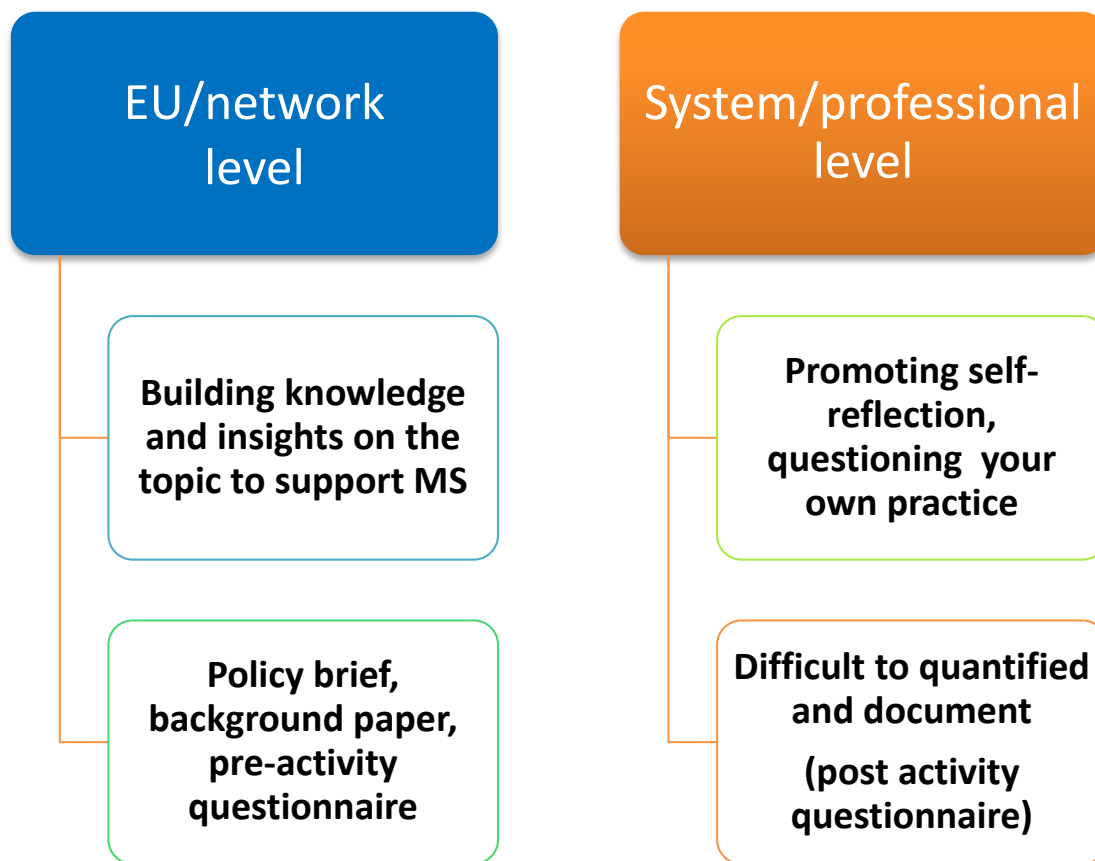

The work programme is organised under three main headings:

1. Support on-going reflection on the key role of QA in VET as part of EU policy and initiatives

2. Support the work of EQAVET national reference points in order to design QA systems, services and processes for VET in key areas

3. Support a culture of continuous QA improvement by addressing the needs of countries

Objectives and Outcomes of EQAVET PLAs

- Pre-activity questionnaire
- Post-activity questionnaire
- Feedback on the policy brief before is published on the web
